Operation Verticals

Verticals

- Electronic & Electrical System
– UPS, Inverter, Solar Inverters, ESS, EV Charger, SMPS, Rectifiers. Power Supply,
- Solar PV Panel
- Lead Acid Batteries
- Electronic Components - Active, passive & accessories.

- Project Management
- Digital Marketing
- Supply Chain Management
- Technology Partnership & ToT consulting
- Cybersecurity consulting
- Drinking Water Solution
- Waste Water treatment

- Reference Design & Qualification
- New Product Development & Proto build
- SoC's Design & Verification

Trading - Components

Trading - Systems

Kehua Tech, China

Online UPS & Inverters (1KVA – 600KVA), Solar Inverter – Grid tie, (1.5KVA-3.125MW), ESS, EV Charger.

Risen Energy Co. Ltd

Poly Crystalline PV Panels, Mono PERC PV Panels.

CE+T Power, Belgium

Modular Inverter, Modular UPS, Bidirectional UPS.

Dominit Industrial Power Systems, Germany

Active Harmonic Filters, Voltage Conditioner, Compensators, Power Quality Solutions.

Microtex Energy

Lead Acid Tubular, SMF, VRLA Batteries & Energy Storage Solutions.

Consulting

Project Management Consulting

Solar PV Plant, Off-grid PV Solutions, Power Quality Solutions.

Digital Marketing

Advertising and promotion of brands and products through digital channels, few of our popular services include SEO, PPC, SMM, Lead Generation, Marketing Automation, among others.

SCM Consulting

Global Sourcing, Vendor Management, Logistics Management, VMI,

Technology Tie Up, Business Partnership,

Identify Right Partner, scope of work agreement, liaison between partners, arbitration,

Cybersecurity Consulting,

We create cybersecurity tailored to your specific business needs. We defend against cyberattacks with proactive, focused, industry-relevant threat intelligence to give you the confidence that comes from knowing your business is secure.

Drinking Water Solutions,

Decentralized, standard, and custom-designed water treatment solutions that can reliably deliver safe drinking water to municipalities and government entities, and high-quality process water to industries.

Waste Water treatment,

Solutions for industrial, commercial, rural, hospitality and defence establishments as well as the urban sector in order to help them reduce fresh water consumption

From feasibility studies, design and engineering to implementation, **Tangerr Corporation** is a single source solution provider for all your needs.

Engineering Services

New Product Development

Power Conversion & Power Quality application products, Battery Chargers, Renewable Energy Control Devices

Proto Sample Development

Embedded Boards, Communication Interface Units, Power Conversion Products

SoCs Design & Verification

Smart Home, Intelligent Transport System, Advanced driver Assistance systems, Smart Industrial Automation, Telecom Infrastructure.

Thank You
